ARE YOU ARE A RETIREMENT PLAN FIDUCIARY?

A plan fiduciary is a person who is responsible for overseeing the company's retirement plan. That person could be formally designated by the plan as a "named fiduciary" or is considered one based on the activities they perform.

THE PLAN FIDUCIARY'S RESPONSIBILITIES INCLUDE...

Under the Employee Retirement Income Security Act of 1974 or ERISA (the law that governs private workplace retirement plans), a plan fiduciary's legal responsibilities include:

- Acting solely in the interest of plan participants and beneficiaries, with the exclusive purpose of providing benefits to them;
- Carrying out duties with skill, prudence and diligence;
- Following the plan documents (unless inconsistent with ERISA);
- Diversifying plan investments;
- Paying only reasonable expenses of administering the plan and investing its assets; and
- Avoiding conflicts of interest.

Fiduciaries must act prudently and in the best interest of the participants and beneficiaries which includes the selection and monitoring of the plan's service providers.

Thankfully, by hiring a CEFEX certified TPA, retirement plan fiduciaries can rest assured that the TPA has already gone through a rigorous assessment, thus helping to fulfill their due diligence obligations.
